**\*Notes:**

1. Kona Ice does have the potential for nut allergies. If your child does have a peanut/nut allergy, they can still get a Kona Ice if ***you*** provide a specific juice that is safe for your child. You can send this flavoring to the Recreation Program and we will hold it for your child's use on the days of the Kona visit.
2. If you choose to purchase a Kona Ice card, Summer Recreation will hold your child's card for the weekly visits. (They will not have to worry about losing or forgetting them).
3. You do not have to purchase a card. You can send your child to Recreation with cash. Please note that they are ***fully*** responsible for any cash they bring on a Kona Ice visit. Summer Recreation counselors will not hold individual cash for anyone.
